

DAE CG-75

Fitting 1 pcs, 3/4" Female GHT, 3/4" Female NPT

[Specification]

Model	CG-75
Type	3/4" Female GHT to 3/4" Female NPT, One pcs
Material	Bronze
Length	1.25 inches

[Feature]

- DAE CG-75 has 3/4" Female NPT pipe thread and 3/4" Female GHT Garden Hose Thread.
- In order to install the 3/4" water meter (ex. DAE AS200U-75 or DAE PVM-75) with Spigot and garden hose, you will need 2 DAE CG-75. Their connection is as follows:
 - 3/4" Spigot (Male GHT) + CG-75 + 3/4" water meter coupling (male, NPT) + CG-75 + 3/4" Hose (male GHT)
 - DAE AS200U-75 can only be installed horizontally with dial facing upwards (5th picture). If you would like to connect the meter to spigot directly (6th picture), we would suggest that you choose DAE PVM-75 which can be installed in any position, vertically or horizontally, dial facing upwards or downwards or side-way, water flowing downwards or upwards.
- Spigot or garden hose to CG-75 will be sealed by the rubber washer come with CG-75.
- Water meter coupling to CG-75 will be sealed with teflon tape, which is available in stores like Home Depot.
